Dear Parents,

It is time to register for FUMC's aftercare program for the upcoming 2022-2023 public school year, which begins on August 16, 2022. In order to secure your child's enrollment, please complete and return the attached registration document along with the \$120.00 registration fee on or before July 18, 2022. Since bus space is very limited, paid registrations for the 2022-2023 school year will be accepted on a first-come-first-serve basis. We have also attached our tuition rate sheet. Please provide a valid e-mail address on the attached registration page to be maintained in the aftercare database, as important program information is often provided electronically. Please note that if you have already paid registration or enrolled within the last three months, this does not apply to you.

If you do not plan to register at FUMC Aftercare for the upcoming 2022-2023 school year, please indicate below and return this page only. This will provide us with an accurate student count and assist us in structuring the new school year properly. We look forward to the opportunity of working with you and your child in the upcoming school year. As always, we strive to make your child's afterschool experience a pleasant and loving adventure.

If you have any questions or concerns regarding registration, please feel free to contact me at the aftercare office.

Sincerely,

Maira Gonzalez

Aftercare Director
